

HOUSEHOLD SUPPORT

We understand the worries families across the county may have around rising costs, therefore we want to help by providing services and support that you may be eligible for, as well as key contacts who may also be able to support you in some way.

GOVERNMENT SUPPORT

The government have put together a list of services to help with the current cost of living crisis, this includes income and disability benefits, bills and allowances, childcare, housing, travel costs and managing money. Head over to their website to check if you are eligible and find out more.

FIND YOUR ACTIVE

With many of us feeling the pinch, Find Your Active want to highlight some of the ways you can still participate in physical activity, with it costing little or no money at all. Being mindful of where we spend our income is becoming particularly prevalent across the country. However, it is still important to take care in looking after you and your families physical and mental health.
